### **WHERE CAN I GET MY PRESCRIPTIONS IF I JOIN *UCARE FOR SENIORS STANDARD D* (HMO-POS), *UCARE FOR SENIORS VALUE PLUS* (HMO-POS) OR *UCARE FOR SENIORS CLASSIC* (HMO-POS)?**

UCare has formed a network of pharmacies. You must use a network pharmacy to receive plan benefits. You can ask for a pharmacy directory or visit us at [www.ucare.org](http://www.ucare.org). Our Customer Services number is listed at the end of this introduction.

### **DOES MY PLAN COVER MEDICARE PART B OR PART D DRUGS?**

*UCare for Seniors Standard D* (HMO-POS), *UCare for Seniors Value Plus* (HMO-POS), and *UCare for Seniors Classic* (HMO-POS) plans do cover both Medicare Part B prescription drugs and Medicare Part D prescription drugs. *UCare for Seniors Value* (HMO-POS) does cover Medicare Part B prescription drugs but does NOT cover Medicare Part D prescription drugs.

### **WHAT IS A PRESCRIPTION DRUG FORMULARY?**

*UCare for Seniors Standard D* (HMO-POS), *UCare for Seniors Value Plus* (HMO-POS), and *UCare for Seniors Classic* (HMO-POS) plans use a formulary. A formulary is a list of drugs covered by your plan to meet patient needs. We may periodically add, remove, or make changes to coverage limitations on certain drugs or change how much you pay for a drug. If we make any formulary change that limits our members' ability to fill their prescriptions, we will notify the affected enrollees before the change is made. We will send a formulary to you and you can see our complete formulary on our web site at [www.ucare.org](http://www.ucare.org).

If you are currently taking a drug that is not on our formulary or subject to additional requirements or limits, you may be able to get a temporary supply of the drug. You can contact us to request an exception or switch to an alternative drug listed on our formulary with your physician's help. Call us to see if you can get a temporary supply of the drug or for more details about our drug transition policy.

## **WHAT ARE MY PROTECTIONS IN THESE PLANS?**

All Medicare Advantage Plans agree to stay in the program for a full year at a time. Each year, the plans decide whether to continue for another year. Even if a Medicare Advantage Plan leaves the program, you will not lose Medicare coverage. If a plan decides not to continue, it must send you a letter at least 90 days before your coverage will end. The letter will explain your options for Medicare coverage in your area.

As a member of *UCare for Seniors* Value (HMO-POS), *UCare for Seniors* Standard D (HMO-POS), *UCare for Seniors* Value Plus (HMO-POS), or *UCare for Seniors* Classic (HMO-POS), you have the right to request an organization determination, which includes the right to file an appeal if we deny coverage for an item or service, and the right to file a grievance. You have the right to request an organization determination if you want us to provide or pay for an item or service that you believe should be covered. If we deny coverage for your requested item or service, you have the right to appeal and ask us to review our decision. You may ask us for an expedited (fast) coverage determination or appeal if you believe that waiting for a decision could seriously put your life or health at risk, or affect your ability to regain maximum function. If your doctor makes or supports the expedited request, we must expedite our decision. Finally, you have the right to file a grievance with us if you have any type of problem with us or one of our network providers that does not involve coverage for an item or service. If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state. Please refer to the Evidence of Coverage (EOC) for the QIO contact information.

As a member of *UCare for Seniors* Standard D (HMO-POS), *UCare for Seniors* Value Plus (HMO-POS), or *UCare for Seniors* Classic (HMO-POS), you have the right to request a coverage determination, which includes the right to request an exception, the right to file an appeal if we deny coverage for a prescription drug, and the right to file a grievance. You have the right to request a coverage determination if you want us to cover a Part D drug that you believe should be covered. An exception is a type of coverage determination. You may ask us for an exception if you believe you need a drug that is not on our list of

covered drugs or believe you should get a non-preferred drug at a lower out-of-pocket cost. You can also ask for an exception to cost utilization rules, such as a limit on the quantity of a drug. If you think you need an exception, you should contact us before you try to fill your prescription at a pharmacy. Your doctor must provide a statement to support your exception request. If we deny coverage for your prescription drug(s), you have the right to appeal and ask us to review our decision. # ***UCare for Seniors Value (HMO-POS), UCare for Seniors Standard D (HMO-POS), UCare for Seniors Value Plus (HMO-POS), and UCare for Seniors Classic (HMO-POS) benefits explained***

---

**This section highlights specific benefits to give you a better understanding of the coverage. There are four plans available to you and are included in this Summary of Benefits: one with just hospital and medical coverage, and three with hospital, medical, and Medicare prescription drug coverage (known as Medicare Part D).**

## **What is the monthly premium?**

The premium for *UCare for Seniors Value* (HMO-POS) is \$58. This plan **does not** include Medicare prescription drug coverage (known as Medicare Part D). You **cannot** enroll in a separate, stand-alone Medicare Part D prescription drug plan (PDP) and also enroll in this plan (even though this plan does not include Medicare Part D). If you are enrolled in a PDP and then enroll in this plan, you will be disenrolled from the PDP.

The premium for *UCare for Seniors Standard D* (HMO-POS) is \$70. This plan **does** include Medicare prescription drug coverage (known as Medicare Part D). This is sold as one coordinated package, one part (hospital/medical coverage) cannot be purchased without taking the other (Medicare Part D).

The premium for *UCare for Seniors Value Plus* (HMO-POS) is \$82. This plan **does** include Medicare prescription drug coverage (known as Medicare Part D). This is sold as one coordinated package, one part (hospital/medical coverage) cannot be purchased without taking the other (Medicare Part D).

The premium for *UCare for Seniors Classic* (HMO-POS) is \$147. This plan **does** include Medicare prescription drug coverage (known as Medicare Part D). This is sold as one coordinated package – one part (hospital/medical coverage) cannot be purchased without taking the other (Medicare Part D). This plan has lower copays and provides additional coverage for dental, eyewear, and hearing aids.

See item #1, page 6 for additional information about the monthly plan premium.

## **How does the out-of-pocket limit work?**

All members in each plan have a \$3,400 limit on out-of-pocket spending for certain services when received in-network. This is **not** an upfront deductible. This means that once a member has paid \$3,400 of allowed charges for certain covered services out-of-pocket in a calendar year; these benefits are covered at 100% for the remainder of the calendar year. Allowed charges include but are not limited to copays for specialist visits and hospital inpatient stays. The following is a list of services that are **excluded** from counting toward the out-of-pocket limit:

- ***UCare for Seniors Value* (HMO-POS)** – Point of Service benefit.
- ***UCare for Seniors Value Standard D* (HMO-POS)** – Point of Service benefit and Medicare Part D drugs.
- ***UCare for Seniors Value Plus* (HMO-POS)** – Point of Service benefit and Medicare Part D drugs.
- ***UCare for Seniors Classic* (HMO-POS)** – Point of Service benefit, Medicare Part D drugs, hearing aids, eyewear (eyeglasses or contact lenses for refractory changes), preventive dental, and comprehensive dental benefits (for those enrolled).

See item #1, page 6 for additional information about the out-of-pocket limit.

## **Do I need to use network providers?**

Not in all situations. You must use contracted network providers in order for services to be covered at the in-network cost-sharing level. You do not have to use network providers for emergency care, certain urgently needed care, out-of-area renal (kidney) dialysis, services approved in advance by us, and services that we denied but that were overturned in an

appeal. You can also obtain certain covered services from non-network providers through the Point of Service (POS) benefit at the out-of-network cost sharing level.

See item #2, page 6 for additional information about the network.

### **Are chiropractic services covered?**

Yes. The only chiropractic service covered is manual manipulation of the spine to correct subluxation. There is no member copay. UCare contracts with a chiropractic health care company for chiropractic benefit management services. Members must see a provider from the chiropractic health care company network to be covered. Chiropractic services are not covered under our Point of Service benefit.

See item #9 on page 12 for additional information about chiropractic coverage.

### **Why is there a range of copayments for outpatient services/surgery?**

The copay depends on whether the service is for surgery or other outpatient services.

- For *UCare for Seniors Value* (HMO-POS) and *UCare for Seniors Value Plus* (HMO-POS) there is a \$200 copay for outpatient hospital surgery and all other outpatient hospital services have a \$25 copay.
- For *UCare for Seniors Standard D* there is a \$250 copay for outpatient hospital surgery and all other outpatient hospital services have a \$35 copay.
- For *UCare for Seniors Classic* (HMO-POS) there is a \$100 copay for outpatient hospital surgery and all other outpatient hospital services have no copay.

See item #13 on page 12 for additional information about outpatient services coverage.

### **Are all lab services or diagnostic procedures and tests \$0 copay?**

- For *UCare for Seniors Value* and *UCare for Seniors Value Plus*, there is a \$0 copay for certain Medicare-covered preventive services. There is a \$25 copay for all other Medicare-covered lab services or diagnostic procedures and tests.

- For *UCare for Seniors Standard D*, there is a \$0 copay for certain Medicare-covered preventive services. There is a \$35 copay for all other Medicare-covered lab services or diagnostic procedures and tests.

See item #21 on page 16 for additional information about these services.

### **What if I have End-Stage Renal Disease?**

End-Stage Renal Disease (ESRD) is permanent kidney failure where dialysis or a kidney transplant is needed. We are prohibited from enrolling anyone into our plans with ESRD unless a person is under a special election period due to the discontinuation of his/her Medicare Advantage Plan. Some exceptions apply. Please note, an individual who receives a transplant to restore kidney function and who no longer requires dialysis on a regular basis to maintain life is not considered to have ESRD and is eligible to enroll. Current members cannot be disenrolled from their plan solely due to developing ESRD.

See item #28 on page 20 for additional information about renal dialysis services coverage.

### **Why is there a range of copayments for Medicare Part B drugs?**

The copay depends on the place of service and type of drug. Members pay a \$50 copay, or the cost of the drug(s) if less, per office visit for Part B drugs infused or administered in a physician's office or outpatient setting. Members pay a \$25 copay per generic drug or a \$50 copay per brand-name drug at a retail pharmacy, or the cost of the drug if less.

See item #29 on page 22 for additional information about Medicare Part B drugs.

### **Is dental coverage included?**

Yes. *UCare for Seniors Classic* (HMO-POS) **only** includes preventive dental. This benefit provides coverage for oral examination twice per calendar year, routine cleaning of teeth and/or gums three times per calendar year (at least one must be a gum cleaning), bitewing X-rays every 12 months, and full-mouth X-rays every five years. There are no member copays or coinsurance when members use network providers. If a member chooses to use non-network providers, he/

she is responsible for (a) submitting an itemized bill and claim form, and (b) paying the difference, if any, between our negotiated rate and the provider's billed charges.

For an additional monthly premium of \$20, *UCare for Seniors Classic* (HMO-POS) members can also enroll in the *UCare* comprehensive dental benefit. This option provides additional coverage for fillings, root canals, gum disease treatment, repairs, adjustments to prosthetics, and more. Members can enroll in the comprehensive dental benefit when they first enroll in *UCare for Seniors Classic* (HMO-POS) or within the first 30 days of their effective date in *UCare for Seniors Classic* (HMO-POS). If members do not join at that time, they have to wait to apply between November 15 through December 31 for coverage starting January 1 of the following year. A separate enrollment form is required. There is a \$25 deductible and a \$1,000 annual coverage maximum per calendar year. Member coinsurance applies. If a member cancels the comprehensive dental coverage, the member cannot re-enroll in the comprehensive dental plan until effective January following a minimum of 12 months of non-enrollment.

Limitations and exclusions apply to both the preventive and comprehensive dental benefit.

### **What is the Point of Service benefit?**

The Point of Service benefit provides the option of receiving eligible physician and hospital services outside the contracted provider network, within the United States, for routine, non-emergency or non-urgent services. There is no deductible with the Point of Service benefit, and members do not need a referral from their primary care clinic. The Point of Service benefit may not be used for transplant surgery, eyewear, chiropractic services, dental services, in-home medical assessments, and outpatient prescription drugs.

With the Point of Service benefit, UCare will pay 80% of no more than the Medicare-allowed amount, and members are required to pay the remaining 20%. There

is a \$20,000 annual member maximum; a \$100,000 annual plan coverage maximum.

Please note: Emergency care and urgently needed care are not considered part of the Point of Service benefit. Such services delivered by non-network providers will be covered according to the “emergency care” and “urgently needed care” coverage.

See page 44 for additional information about the Point of Service benefit.

### **Are there discounts for health club memberships or exercise programs?**

There are great fitness options with *UCare for Seniors*. Members can choose one option or all to be active and feel great! See the *UCan!<sup>SM</sup> UCare Activity Network* brochure for details or visit our web site at [www.ucare.org](http://www.ucare.org).

See item #34 on page 42 for additional information about health/wellness education.

### **Are the plans Medicare Supplement Plans?**

No, they are not Medicare Supplement (Medigap) Plans. With a Medicare supplement, the bill you receive from your provider is first sent to Medicare to pay according to their schedule of coverage, and then your supplement pays after that. In contrast, our plans are Medicare Advantage plans. We contract with the federal government to administer Medicare Part A and Part B, and the additional benefits included in our plan – all in one coordinated package. This means you do not have to deal with Medicare coinsurance and deductibles, only the cost sharing with our plan. Aside from filling out your initial enrollment form, there is virtually no paperwork.

In addition, there is no upfront deductible that has to be met before coverage begins and there is no lifetime maximum. Also, for most services, there are no annual benefit limits (some benefits have specific limits as noted in the benefits comparison starting on page 6).
