American Indians can continue or begin to use tribal and Indian Health Services (IHS) clinics. We will not require prior approval or impose any conditions for you to get services at these clinics. For enrollees age 65 years and older this includes Elderly Waiver (EW) services accessed through the tribe. If a doctor or other provider in a tribal or IHS clinic refers you to a provider in our network, we will not require you to see your primary care provider prior to the referral.

Enrolling in this health plan does not guarantee you can see a particular provider on this list. If you want to make sure, you should call that provider to ask whether he or she is still part of this health plan. You should also ask if they are accepting new patients.

This health plan may not cover all your health care costs. Read your contract, or “Certificate of Coverage,” carefully to find out what is covered.

The benefit information provided herein is a brief summary, but not a comprehensive description of available benefits. Additional information about benefits is available to assist you in making a decision about your coverage. For more information contact the plan. Benefits, formulary, pharmacy network, premium and/or co-payments/coinsurance may change on January 1, 2012.

Hospitals

The hospitals in this listing are contracted with UCare. If you don't know which hospital your doctor uses, ask him or her. Unless it is an emergency, you should use a hospital that has a contract with UCare and is associated with your doctor. Remember to call your primary care clinic before going to the hospital, except in an emergency situation.

UCare uses a network of mental health and chemical dependency providers in your community, working with Behavioral Healthcare Providers (BHP) or Mayo Management Service, Inc. (MMSI) to provide these services.

The MMSI network consists of certain clinics in the following counties: Brown, Blue Earth, Dodge, Faribault, Fillmore, Freeborn, Goodhue, Houston, Le Sueur, Mower, Nicollet, Olmsted, Rice, Steele, Waseca, and Winona.

If you use a primary care clinic in one of the counties listed above, for mental health or chemical dependency services, call UCare Customer Services at **612-676-6868** or **1-866-280-7202 (toll free)**, 8 a.m. to 8 p.m. daily. These waiver programs offer more services than regular Medical Assistance. Services include extended home care, assisted living, supported employment, and more.

Nursing home care

UCare will cover a total of 100 days of nursing home care. If you need nursing home care beyond the 100 days, the Minnesota Department of Human Services will pay for your care. Please refer to the nursing homes section in this listing to find nursing homes that participate in UCare's plan.

Medical spenddowns

Members must designate a PCA, Private Duty Nursing, or home and community-based services provider to pay their spenddown to, or pay their spenddown to the State. Members who do not pay their spenddowns as required will be disenrolled from *UCare Connect*.
