Greg Marshall joins UCare as Controller

MINNEAPOLIS, Nov. 24, 2008 – [UCare](#) has hired Greg J. Marshall, C.P.A. (inactive), as the organization’s Controller.

In his new position, Marshall directs UCare’s fiscal operations and management activities, including accounting, budgeting, forecasting, financial analysis, internal controls, and financial reporting. He reports to UCare’s Senior Vice President of Finance and Chief Financial Officer, Beth Monsrud.

Marshall has more than 18 years of experience in financial management and accounting, primarily in the health care field. Before joining UCare, he spent six years as Director, Health Plan Services, at UnitedHealth Group in Minnetonka, Minn. As such, he was responsible for managing the back-office processes related to the accounting and reporting functions for local and out-of- state insurance companies contracting with UnitedHealth Group. Prior to that, Marshall held the manager and supervisor positions for this same function. Marshall spent his earlier career years as an auditor at two accounting firms in the Twin Cities.

“We are very pleased to welcome Greg and his health care experience to UCare’s Accounting department,” said Monsrud. “We are proud of our stellar financial management practices at UCare. Greg’s knowledge of the complex health care industry will contribute greatly to our stewardship of our financial resources in these changing times.”

Marshall holds a Bachelor of Arts degree in Business from the University of St. Thomas.

He and his family live in Eagan, Minn.

About UCare

UCare (www.ucare.org) is an independent, nonprofit health plan providing health care and administrative services to more than 147,000 members. UCare partners with health care providers, counties, and community organizations to create and deliver innovative health coverage products for:

- Individuals and families enrolled in income-based Minnesota Health Care Programs, such as MinnesotaCare and Prepaid Medical Assistance Program.
- Adults with disabilities and Medicare beneficiaries with chronic health conditions.
- Minnesotans dually eligible for Medical Assistance and Medicare.
- Medicare-eligible individuals throughout Minnesota and in western Wisconsin.

UCare for Seniors, UCare's Medicare Advantage plan, was ranked by Medicare in the top 13 percent of health plans nationwide for outstanding performance. UCare addresses health care disparities and care access issues through its UCare Fund grants and a broad array of community initiatives.
