

UCare Additional Dental Benefit

***Additional \$300 Benefit for MSHO and UCare Connect members only.**

Members in the programs above will have the adult benefit set as of 1/1/2010.

The \$300 additional dental benefit will apply to additional preventive and diagnostic codes that are covered for adults.

Here is a list of the preventive and select restorative codes that may be accessed:

- D0150 Comprehensive exam One per 5 years
- D0120 Periodic exam One per year
- D0270 Bitewing x-ray One of D0270, D0272, D0274, D0277 per year
- D0272 Bitewing x-ray One of D0270, D0272, D0274, D0277 per year
- D0274 Bitewing x-ray One of D0270, D0272, D0274, D0277 per year
- D0277 Bitewing x-ray One of D0270, D0272, D0274, D0277 per year
- D0330 Panoramic x-ray One per 5 years
- D1110 Prophylaxis One per year
- D1206 Fluoride varnish One per year
- *D2720-Crown resin with high noble metal*
- *D 2721-Crown resin with predominately base metal*
- *D 2722-Crown with noble metal*

The crowns listed are limited to teeth #6-11 and #22-27. Members will be educated that they will need to pay for a portion of this procedure by the provider, who will have each member sign a waiver acknowledging they know they may be liable for a portion of the cost.

Porcelain crowns are not allowed under this benefit.
