DHS is hosting MMIS entry of LTC trainings

DHS will be hosting two Webinars on **October 20th and 21st**. UCare encourages anyone who has not received this training to attend.

The session will focus on the MMIS process for the entry of the LTC screening documents for the Elderly Waiver and Alternative Care programs. The MMIS manual (form DHS-4625), handouts and MMIS screens will be used to demonstrate the process to inquiry, add and delete LTCC screening documents. This process is similar for the CAC, CADI, and BI waiver programs.

Please see attached documents for instructions on registering.
