UCare for Seniors Eyewear Grid:

Product	Services	Coverage	Waiver Needed?	Patient Responsibility
Classic Plan	Eyewear - includes contact lenses	\$75.00 benefit allowance - per calendar (may be applied to only frames, lenses, or both).	No	For the difference, after the \$75.00 has been paid by UCare.
Value Plan	Eyewear - includes contact lenses	No	No	No
Classic and Value Plan	Post Cataract Materials	Covered with one of the following DX codes as primary: V43.1, 379.31, or 743.35. The frames are covered at \$75.00 allowance. The lenses are covered at the Medicare allowable. All other services are covered at the Medicare allowable if it is medically necessary, such as: anti-reflective coating, tints, or over size lenses, UV protection, and standard bifocals with line (for DX code 379.31 or 743.35 only).	Yes - The waiver must be specific to the services that are not covered. (To collect the difference for the frames, it must be indicated on the waiver stating a \$75.00 allowance will be paid by UCare but the patient will be responsible for the difference). For more information please refer to <i>Chapter 6: Billing Information</i> of our Provider Manual. To access our Provider Manual, log on to www.ucare.org , then select "Providers," and "Provider Manual."	For non-covered services only with a waiver signed prior to the service(s) rendered and patient must acknowledge patient responsibility.

Reminder:

It is important to note that before the waiver is signed, the patient must be informed prior to the service (s) provided; they may be responsible for the services that are not covered by the health plan. The waiver requires the patient sign and date the form for each visit. The non-covered service (s) must be outlined on the waiver form with an exact cost of the patient's responsibility, including the benefit allowance that has been exhausted.
