American Indians can continue or begin to use tribal and Indian Health Services (IHS) clinics. We will not require prior approval or impose any conditions for you to get services at these clinics. For enrollees age 65 years and older this includes Elderly Waiver (EW) services accessed through the tribe. If a doctor or other provider in a tribal or IHS clinic refers you to a provider in our network, we will not require you to see your primary care provider prior to the referral.

Enrolling in this health plan does not guarantee you can see a particular provider on this list. If you want to make sure, you should call that provider to ask whether he or she is still part of this health plan. You should also ask if they are accepting new patients. This health plan may not cover all your health care costs. Read your contract, or Certificate of Coverage, carefully to find out what is covered.

Oral interpretation may be given to you in your language. You may be able to get written information in your language. Minnesota Senior Care Plus members can call UCare Customer Services at 612-676-3200 or 1-800-203-7225 (toll free). Hours of service are 7:45 a.m. to 5 p.m., Monday through Friday. UCare's Minnesota Senior Health Options members can call UCare Customer Services at 612-676-6868 or 1-866-280-7202 (toll free). Hours of service are 8 a.m. to 8 p.m., seven days a week. If you are hearing impaired, please call our TTY line at 612-676-6810 or 1-800-688-2534 (toll free).

What's inside?

Thank you for choosing UCare as your health plan. This is the Home and Community-Based Services Provider Directory.
