

UCare Identification (ID) Card Quick Reference Guide for Providers

UCare offers health coverage to eligible Medicare and Medicaid recipients. Each UCare member is issued their own ID card. Members only need to present their UCare ID card, as UCare is their single source of payer. Claims are to be submitted to UCare only.

At the time of service, please verify the member's eligibility and co-payment information through our secure web site, Access UCare. Log on to www.ucare.org, select "Providers," then "Access UCare." A username and password is required to log in. If you do not have access, registration is quick and easy with the Access UCare Registration Form. Click on "Access UCare Registration Form" from that site, complete the form, and return it to UCare. A representative will contact you shortly to complete the registration process.

Below, you will find samples of the front of the UCare ID cards for our plans by product type (Medicare Advantage Plans, Medicare Advantage Special Needs Plans, and State Public Programs). Please note that each plan will have its own co-payment information; that is why it is important to check co-payment at the time of service.

Medicare Advantage Plans ID Card Sample

UCare ID Card Field Descriptions

Key:

- 1 The member identification number used for submitting claims and verifying member eligibility.
- 2 Member group/account number.
- 3 This logo on any UCare member identification card indicates that Medicare Part D is included in the member's UCare benefit set.
- 4 This field indicates the member's benefit level or the program the member is enrolled in.
- 5 The date the ID card was printed.

Please contact the Provider Assistance Center at 612-676-3300 or 1-888-531-1493 (toll free) if you have any further questions.
