

Is your child up-to-date on immunizations?

Children need to receive many immunizations (shots) to stay healthy. From birth to age 2, children need to go to the doctor often for shots.

Shots are part of the Child and Teen Checkups (C&TC) screening that your child needs at this time. Call your doctor today to schedule a C&TC visit and to learn what shots are recommended for your child. And remember: C&TC visits are a covered benefit for all eligible UCare members. No co-pay, or charge, is required.

Get a \$50 gift card.

You may be eligible for a \$50 gift card from UCare if your child is up-to-date on all recommended shots by age 24 months. Have your health care provider complete and sign the attached voucher when your child's immunizations are complete. Then mail the completed voucher to the address on the back to receive your gift card.

American Indians can continue or begin to use tribal and Indian Health Services (IHS) clinics. We will not require prior approval or impose any conditions for you to get services at these clinics. For enrollees age 65 years and older this includes Elderly Waiver (EW) services accessed through the tribe. If a doctor or other provider in a tribal or IHS clinic refers you to a provider in our network, we will not require you to see your primary care provider prior to the referral.

Every child and teen who is a member of UCare needs to have a **Child and Teen Checkups exam at these ages:**

Infants	Preschoolers	School Age	Teens
▲ 0-1 month	▲ 15 months	◆▲ 5 years	◆ 14 years
